# -THE YOUNG FOLK-

WEDNESDAY 15TH JULY | 8.30PM | THE DOCK | €15 / €13 CONCESSION

Carrick Water Music Festival presents an intimate concert in The Dock with The Young Folk, an up-and-coming Irish folk/rock/pop quartet. Not strictly a folk outfit, The Young Folk acknowledge their folky influences while asserting their own youthful personae with a self-composed alternative folk-pop live set that includes acoustic and electric guitars, piano, bass, drums, mandolin, banjo, trombone, melodica, xylophone and harmonica, to name but a few.

The Young Folk add their own generational-spin to the legacy of Irish folk-influenced music – a legacy that principal songwriter Anthony Furey knows only too well, being the son and nephew of members of the leg-

endary Fureys. While this influence on the band's music is evident, younger audiences will also detect a sound much more akin to The Young Folk's contemporaries, often compared to Fleet Foxes, The Lumineers and Mumford and Sons.

Now on the cusp of entering the studio to record the follow-up to their debut album *The Little Battle* (2014), we can't wait to see what they have in store for us in The Dock.

FRIDAY 17TH JULY | 8.30PM | THE DOCK | €14 / €12

Carrick Water Music Festival presents Luca Ciarla's Fiddler in the Loop violin recital - an orchestra of just one! Italian born violin wizard Luca Ciarla owns the stage with his fiddle and a few toy instruments. In this imaginative landscape Luca sings, whistles, plays other little instruments; music is continuously evolving into a dazzling solo violin orchestra. Fiddler in the Loop features music by L. Ciarla, D. Reinhardt, The Beatles, P. Conte and Traditional. "A magical acoustic seduction where everybody can find familiar influences... from genuine folk to sophisticated jazz." Il Fatto Quotidiano (Italy)

One of the most creative and surprising violinists nowadays, Luca Ciarla easily transcends the boundaries among genres to trace an innovative musical path, a magical acoustic seduction in perfect balance between written compositions and improvisation, traditional and contemporary sounds. SATURDAY 18TH JULY | 3PM | THE BUSH HOTEL | €5

Carrick Water Music Festival presents a literary afternoon event with Julian Vignoles, author of 'A Delicate Wildness – the Life and Loves of David Thomson' where he will discuss his book and the Woodbrook heritage.

Julian Vignoles, born 1953 is a native of county Wicklow. He attended University College Dublin and began his working career in Hot Press. He won three Jacobs awards for his RTE documentary work. He moved to television as a producer/director and became Assistant Head of Entertainment. This is his first book. The book: A Delicate Wildness-the Life and Loves of David Thomson, 1914-1988, is the first exploration-of the contribution-and soul-of a relatively unsung but uniquely

talented man. This resonant biography boasts more than fifty unseen photographs.

Thomson was a Scotsman who became an honorary Irishman, writer, folklorist and radio producer. While a history student at Oxford, Thomson came to County Roscommon in the early 1930s as tutor to an Anglo-Irish family. He fell in love with the daughter of the house, became a farmer and 'went native', caught up in the history and landscape of counties Roscommon and Leitrim. He wrote his first book when he was 40, *The People of the Sea*, an exploration of seal lore. His book *Woodbrook* (1974), about his time in Ireland, is regarded as an Arcadian masterpiece and minor classic.
